November 29th is Sunday Funday!
Please plan on staying after church for coffee hour. We will have a special Advent craft to make as well as games to play.

PLANS FOR BELLS if we are without a Director of Music for the remainder of the year.
We would like to play for Christmas Eve. Those that are interested please join us in the church at 7:00pm on Thursday, December 4, 10, and 17. Linda Moffet has chosen several songs that we can try, then we will pick the one we would like to play. The bells have been polished and tuned. They should sound great! Please come join in the fun of ringing the bells.

COMMUNION: Come forward to the usher, picking up a small cup on the way. Bread, wine, grape juice, and gluten-free wafers are all available. Those not receiving communion may come forward for a blessing; communion can also be brought to you in the pew. You may remain standing if kneeling is difficult.

FROM THE CALL COMMITTEE:
We have been in touch with the synod and they report that November and December are historically quiet months for congregations in the call process. Currently there are 16 congregations in the Lower Susquehanna Synod with an active Ministry Site Profile. Conversely, there are only 4 Rostered Ministers with profiles active in this synod. There is definitely a mismatch there.
ELCA at large, there are 45 Rostered Ministers that have named the Lower Susquehanna Synod as a location they would be open to. That doesn't mean they are exclusively in conversation with our Synod, just that this could be one of many that they are open to.
We will continue to prayerfully await a candidate, knowing that it may not happen during this season of the church year based on what the Synod has historically noted in their call process trends.

Thank you,
Rebecca
